Power to excite

The HAVAL H6 matches the performance of a powerful turbo-charged 2.0-litre direct injection engine with a Getrag six-speed dual clutch transmission (DCT). The DCT combines all the advantages of manual and automatic transmissions to deliver fast, smooth gear changes with maximum efficiency. When the mood takes you, select sport mode and use the paddle shifters to give you even more control and fun.

Who is HAVAL

Built for the world by the world

Although new in Australia and New Zealand, HAVAL is one of the world’s largest specialist SUV companies. With over 5 million owners, HAVAL is the No. 1 SUV brand in the world’s largest auto market – China, and has been for the last 16 years.

Our philosophy is simple – employ the best people, use the best technology and suppliers in the world and utilise high precision robots for consistent quality. No wonder HAVAL SUVs are recognised for their style, features, build quality and deep lustrous paintwork.

When you invest in a HAVAL, you can be confident that it’s been designed with care, built with pride and engineered to last.

We look forward to welcoming you to the HAVAL family.

With European engineering inspiration it’s no surprise the HAVAL H6 drives and handles so well. Independent MacPherson strut suspension at the front combined with a double wishbone independent rear, sports steering and tuned exhaust makes the H6 a true driver’s SUV.

European-inspired driving dynamics

Independent front and rear suspension
Every drive in the HAVAL H6 is special. Soft-touch textures, seating that provides comfort and support for all occupants, and a multimedia system are all designed to make every drive a special event. The LUX model features a stunning opening panoramic moon-roof and an electric sunshade that keeps you in touch with nature, while protecting you from any harmful elements. Driver selectable mood lighting (red, green, orange, blue, yellow and pink) allows you to change the environment to suit your individual taste.

Dual-zone climate control (LUX Model)
Rear air conditioning ducts and heated rear seats
Selectable mood lighting
8-inch touch screen

Enjoy every drive
A world of comfort

Beautiful interiors combining the finest materials and exacting production standards are HAVAL trademarks. This model, ha macros, the tradition with French-style double stitching and a multi-function steering wheel where the controls fall easily to hand.

For comfort the LUX offers dual-zone climate control and heated seats.
Technology that enhances every drive

At HAVAL, we incorporate technology to help you on every drive. Driveway entry and start to you never have to battle for your key again, or on the LUX model, self-leveling headlights that maximise illumination and safety. A high fidelity surround sound system with an acoustic insulated cabin combine to bring out the best in your music.
The HAVAL H6 comes equipped with an armoury of the latest electronic aids designed to make every drive a safe one for you and your most precious cargo. Blind spot monitoring is standard in every H6, as well as front and rear parking sensors and reversing camera.

The H6 incorporates the latest Bosch Electronic Stability Program and a host of features including Electronic Brakeforce Distribution, ABS Anti-Lock Braking, Traction Control, Hill-Descent Control, Hill-Start Assist Control, an Intelligent Park Brake and Tyre Pressure Monitoring, all working behind the scenes to maximise your safety.

Safety and style

The HAVAL H6 is created with a high tensile steel passenger compartment, heavy gauge sheet metal and is precision engineered to fine tolerances for strength and torsional stiffness.

The quality is evident every time you close the doors.
